## 2nd TPM in Italy

On December 20th, 2021 the 2nd Transnational Project Meeting (TPM) took place in a hybrid format as some of the partners met in person in Potenza, while others participated virtually. The project partners had the opportunity to address a wide range of topics relating to the stages of project implementation and also to discuss and organize the 2nd Learning Teaching Training Activity (LTTA) centered on the subject of Older-age Learners.

## 2nd LTTA in Italy

From June 6 – 10 June, 2022 the 2nd Teaching and Training Activity (LTTA) was held in Sulmona, Italy hosted by 'Web per Tutti'. During the five days of meetings, the participants observed and actively participated in the planned activities, showing great interest. These activities are aimed at older adults to help them not feel marginalized due to their age and the digital divide. Everyone enjoyed the training as well as the extra activities organized by the host to help them learn more about the area, their field of expertise, and the culture of the area.
