The project partners had the opportunity to address a wide variety of topics and review the activities implemented so far, as well as to discuss and organize the 3rd Learning Teaching Training Activity (LTTA) centered on the subject of NEETs – Unemployed.

3rd LTTA in Greece

From 3 – 7th October, 2022 the 3rd Teaching and Training Activity (LTTA) was held in Karditsa, Greece and hosted by 'E-SCHOOL Educational Group'. During the five days of meetings, the participants observed and were actively involved in the planned activities, showing great interest. The aim of these activities is to support young adults and low-skilled individuals not to feel marginalized due to unemployment and other economic reasons. Everyone enjoyed the training as well as the extra activities organized by the host to help them learn more about the area, their field of expertise, and their local culture.
